FRV IMA PRESIDENT'S MESSAGE

Wow, it's amazing what you learn when you change the header on the newsletter. ☺
i.e. we, as a chapter, are starting our 60th year!. Seems strange that it was 10 years ago that I was previously the chapter president – and I recall having a really nice celebration at Walter Payton's Roundhouse. How many of you recall that? Where does time fly?

Must have something to do with the fact that we all have busy lives – both at work and at home. But, on that thought, your chapter board is already busy putting together plans for the upcoming technical year. If there is a specific topic or speaker that you think might be worth investigating, then contact Mike Savickas. If you have a meeting location that you think would be good, then please contact Barb Epperly. Contact information for both of them is included on the board contact section of this newsletter.

While in Denver at IMA's 90th Annual Conference, I had the pleasure of accepting on behalf of the Fox Rive Valley Chapter a 16th place award for chapter competition. I'm sure that you will have the opportunity to see it at one of the fall meetings. I'm passing on a "congratulations" from Fred Shea, the 2008-2009 IMA Chair.

We (okay, to be bluntly honest, ME) are still looking for someone to put together the monthly newsletter. I don't mind doing it, and it's not like it's a major time consume task, but I've been doing it for several years now and it's time for someone else to try it. So, if you're looking to get "involved", let me know.
☺
